

Media Processor

Purpose Statement

The job of Media Processor is done for the purpose/s of providing support to the instructional program and media staff with specific responsibilities for performing complex specialized functions related to cataloging, processing, circulation, inventory of instructional materials and providing Destiny training and technical assistance to library media staff.

This job reports to the Library Media Coordinator.

Essential Functions

Processing and Cataloging:

- Generates MARC (Machine Readable Cataloging) records for library books and textbooks (e.g. determining appropriate guidelines in applying Resource Description and Access (RDA) unified cataloging standards, etc.) for the purpose of maintaining uniform records in the library/textbook automation system
- Processes library books, instructional materials, software and related media materials (e.g. barcoding, labeling, electronic transfer of materials, creating work orders for transport of materials, producing required reports, etc.) for the purpose of providing schools with required materials.

Circulation:

- Performs circulation activities (e.g. electronic transfer of elementary and secondary textbooks and other instructional materials, item check-in and check-out, conduct inventory, etc.) for the purpose of monitoring the use, location and availability of items in the collection.

Inventory of instructional materials:

- Fulfills the requests of individuals and/or sites for the purpose of ensuring availability of textbooks and resource materials.
- Maintains inventory and dissemination of instructional materials for the purpose of providing an up-to-date reference and ensuring the availability of materials when required.

Department support:

- Participates in unit meetings, in-service training, workshops, etc. for the purpose of conveying and/or gathering information required to perform job functions and to stay abreast of procedural updates and participate in professional development.
- Prepares manual and electronic documents and reports (e.g. collection statistics, scheduling reports/requests, instructional materials orders, costs, etc.) for the purpose of providing documentation and information to others.
- Processes a wide variety of documents and materials (e.g. requisitions, purchase orders, work orders, travel reimbursement, budget transfers, etc.) for the purpose of disseminating information in compliance with guidelines and/or regulatory requirements.
- Procures supplies and materials for the purpose of processing all instructional and library materials, and meeting general office needs.
- Provides library/textbook automation system support for Library Media Centers in the district (e.g. trains and assists Library Media Specialists and Assistants, troubleshoots and provides

technical support related to the automation system, etc.) for the purpose of operating the library and textbook management system.

- Reconciles account balances for assigned budget categories for the purpose of maintaining accurate account balances.
- Responds to a wide variety of inquiries from internal and external parties (e.g. staff, vendors, etc.) for the purpose of providing information and support.
- Supports the Library Media Coordinator for the purpose of providing assistance with his or her functions and responsibilities.
- Supports media staff and/or volunteers for the purpose of providing orientation, training.

Other Functions

- Performs other related duties as assigned for the purpose of ensuring the efficient and effective functioning of the work unit.
