Re: Microsoft Shape the Future K-12 institution  
Eligibility Letter for Park Hill School District  
(0A8DAAA496)

## **Congratulations,**

Park Hill School District is approved as eligible for the Shape the Future K-12 program, valid until two years after the Effective Date indicated above.

The Shape the Future program allows qualifying K-12 institutions\* to purchase Windows devices from participating technology partners, typically at a discount from their retail price. Shape the Future program prices for Windows devices are set by technology partners who have access to discounted National Academic licenses. For purposes of National Academic Offers, "Education Use" means use by administrators, teachers, or students in primary or secondary schools.

These devices may only be distributed to Park Hill School District (0A8DAAA496) and only in association with the Shape the Future program. In addition, Microsoft may require Park Hill School District (0A8DAAA496) to submit proof of receipt of the devices, such as a technology partner invoice, a shipment record or similar documentation which demonstrates receipt. Microsoft reserves the right to terminate the Shape the Future program and this eligibility letter entirely if and when Microsoft considers it appropriate.

To take advantage of the Shape the Future program for K-12, provide this letter to a participating technology partner when requesting a price quotation or submitting an order for the fulfillment of devices with National Academic licenses. Microsoft reserves the right to validate the issuance of this letter of eligibility to technology partners, as requested.

For more information on device options and the Shape the Future K-12 program, please contact a Microsoft representative, a Microsoft Partner or visit [Microsoft.com/education](https://Microsoft.com/education).
