

ADDENDUM 2

| | |
|-------------------------|---|
| RFP NUMBER: | TE1092 – Audio Visual Systems’ Renovations IV |
| ADDENDUM NUMBER: | 2 |
| ADDENDUM ISSUED: | 4/25/19 |

I. ADDITIONS

A. Page 16, Section XXI: Alternates shall be amended to include the following requirements:

- i. Definition: An alternate is an amount proposed by the vendor as stated on the bid response form for certain items that may be added or deducted from the base bid if the owner decides to accept the change.
- ii. At contract award, PHSD will notify each party involved of the status of each alternate. Alternates may be accepted, rejected or deferred for consideration at a later date.
- iii. The Vendor agrees to sell PHSD the revised quantity of items at the unit price as stated on the Bid Response Form regardless of quantity changes.
- iv. See table below for Schedule of Alternates including a description of each.

SCHEDULE OF ALTERNATES

| No. | Name | Description |
|-----|--|--|
| 1 | Additional Wireless Microphones at Plaza Middle School. | All material and installation needed to include all components of the additional two wireless microphone systems components identified on sheet PLAV2. |
| 2 | Additional Wireless Microphones at Hawthorn Elementary. | All material and installation needed to include all components of the additional two wireless microphone systems components identified on sheet HWAV2. |
| 3 | Additional Wireless Microphones at Graden Elementary. | All material and installation needed to include all components of the additional two wireless microphone systems components identified on sheet GRAV2. |
| 4 | Additional Wireless Microphones at English Landing Elementary. | All material and installation needed to include all components of the additional two wireless microphone systems components identified on sheet ELAV2. |

B. Page 24, Form No. 6C: Cost Sheet shall be amended to include the following requirements:

ALTERNATE 1 TOTAL COST \$ _____

ALTERNATE 2 TOTAL COST \$ _____

ALTERNATE 3 TOTAL COST \$ _____

ALTERNATE 4 TOTAL COST \$ _____

ALTERNATE 5 TOTAL COST \$ _____

C. *Attachment B. Electrical Closet Drawings* are being provided for contractors.

II. CHANGES

The original Request for Proposal No. TE1092: **Audio Visual Systems' Renovations IV** remains in effect except as revised by the following changes, which shall take precedence over anything to the contrary in the specifications.

A. *Attachment A. Drawings: Sheet GRRCP* has revision clouds, which indicate the screen position at Graden Elementary.

III. QUESTIONS AND ANSWERS

The following questions are as they were presented to Park Hill School District (PHSD). The answers to said questions have been answered as completely and accurately as possible.

Q: Outside of the flooring at Plaza is there other construction going on in the gymnasiums? Sports? Events?

A: There may be a painter or two but no other construction projects are planned. English Landing and Plaza has no summer school. Graden and Hawthorn do have summer school but will be completed July 4th and more available. Adventure Club will be notified and coordination will take place.

Q: Any restrictions on working hours?

A: Working hours will occur typically when custodians are in buildings.

Q: Are we responsible for running the conduit and cable trays? Painting?

A: Yes, the vendor is responsible for running the conduit and cable trays. We do not require painting of those from the vendor.

Q: For the sub-contractor in regards to an electrician, I'm not sure I know which electrician I am going to be bringing in for this, is there an issue with noting that we intend to bring a specific electrician or does the District have a preference?

A: The District has used in the past Capital Electric, R.F. Fisher, Bart's Electric, City Wide, & 4Star Electric. Please indicate if you are not sure TBD and the team will evaluate at award.

Q: What is your process for going through and determining touch panel layouts, DSP programming, etc.?

A: Please see in *Drawings APPENDIX B - CONTROL SYSTEM REQUIREMENTS*: "Control system touch panels or button panels shall be programmed by the AV Integrator. This section shall describe the typical control programming requirements.

2. All requirements herein shall be verified and approved by the Owner prior to commencement of programming.

3. All requirements herein are minimum requirements, full and specific functionality shall be coordinated with Owner through the integration process."

Q: At Plaza Middle School, in the mechanical room, do we need to pull a circuit to the rack?

A: PHSD would prefer the contractor to put in a new circuit; there should be breaker space for this in an existing panel. Coordination will need to take place with PHSD Project Manager and Contractor.

Q: Has asbestos abatement been completed?

A: PHSD has tested and verified that there is no asbestos contained in any buildings included in this project.

Q: Can we use existing wire molds or to they need replaced?

A: If it doesn't meet the specifications in the drawings they will need to be replaced.

Q: Do the XLR plates in the ceilings need to stay where they are?

A: Contractor will be responsible for removing. Coordination between PHSD and Contractor.

III. Acknowledgement

Each respondent shall acknowledge receipt of this Addendum No. 2 of Proposal No. *TE1092: Audio Visual Systems' Renovations IV* by his/her signature affixed hereto, and shall attach this Addendum to the original proposal submitted. Failure to sign and submit this addendum may render your proposal non-responsive.
