ADDENDUM NUMBER:	1
ADDENDUM ISSUED:	5/31/2019

I. CHANGES

The original Request for Bid No. *TE1096: NUC Systems* remains in effect except as revised by the following changes, which shall take precedence over anything to the contrary in the specifications.

- A. *Section IV. Terms & Conditions, Sub-Section P.* has been revised to read, “*All bids shall be valid and constitute an irrevocable offer to contract on the terms and conditions contained in this Request for Bid for thirty (30) days after opening. Contracts entered into based on submitted bids are revocable if contrary to law.*”
- B. *Section V. Cost Sheet* has been amended to include estimated time for delivery. Please provide estimated time for delivery for all Options listed on the original cost sheet. Please share any other concerns, variables, and/or extenuating circumstances that may affect the delivery time.

II. QUESTIONS & ANSWERS

The following questions are as they were presented to Park Hill School District. The answers to said questions have been answered as completely and accurately as possible.

Q: Page 7 - Option 1 and Option 2 have identical part numbers and quantities. Is this correct?

A: The part numbers indicated on the cost sheet are correct. The NUC part numbers are not identical on Option 1 and Option 2, but the additional part numbers for Option 1 and Option 2 are identical, and that is correct. Please see the above *Section 1. Changes* for a revision to the cost sheet.

Q: Will you accept pricing that is subject to increases based on tariff adjustments to cost?

A: Please see the above *Section IV. Terms & Conditions, Sub-Section P.*, which PHSD amended to allow more flexibility in regards to tariffs and pricing. Any price adjustments will need to be communicated to PHSD and accepted in writing before proceeding.

Q: Please clarify the GB for options 1 through 4.

A: The actual NUC line item in options 1-4 does not include memory or a hard drive. Options 1-4 have the memory and hard drives listed as separate line items. The GB requirement for each is included in the description and Mfg. P/N fields. Only option 5 includes the memory, hard drive and operating system with the NUC.
