II. QUESTIONS & ANSWERS

The following questions are as they were presented to Park Hill School District. The answers to said questions have been answered as completely and accurately as possible.

Q1: The first line item, (Catalyst 9500 switches) does not specify SMARTnet to be included but all other switches call out 1 year, 8x5xNBD SMARTnet. Want to ensure that SMARTnet is definitely not required or if you'd like it be included?

A1: Support is included with the EDU sku's.

Q2: The lead time for QSFP-40G-SR-BD is currently at 91 days and in the Cisco tool, it is recommending another option, QSFP-40/100-SRBD – would like to know if that is preferred or if the lengthy lead time is not an issue?

A2: Please bid the Revised Cost Worksheet as listed.
