Password Guidelines
Complex, tricky passwords are not always strong passwords and they're hard to remember! For example, TheBr0wnC@t is a stronger password than !@#%&() because TheBr0wnC@t uses a combination of character types and is long, whereas !@#%&() uses only symbols and is short. A computer program can crack !@#%&() easier than it can crack TheBr0wnC@t. Stronger yet is a pass phrase like The Br0wn C@t because it is longer.
If you are having difficulty creating a strong password, making it nine characters or longer is often helpful. Try creating a short sentence or pass phrase so it is easy to remember. Be sure to include punctuation, numbers, letters and symbols where it makes sense.

5

Guji linkiga si aad ugu soo noqoto boga galitaanka

Success!

Congratulations! You have successfully created your Campus Parent account!

6

Ku gal isticmaalahaaga iyo lambarkaaga sirta ah ee cusub.

7

Waxa lagugu dhiirgalin doonaa inaad galiso iimaylka dib u soo celinta akoonka. Tani waxay kuu oggolaaneysaa inaad soo celiso lambarkaaga sirta ah haddii aad illowday. Gali iimaylkaaga iyo aaladda furaha ah ee waalidka, kadibna guji **Save**.
