High School 12th Grade AVID Elective Curriculum

Course Description: The AVID Elective twelfth grade course is the second part in a junior/senior seminar course that focuses on writing and critical thinking expected of first- and second-year college students. Students will complete a final research essay project from research conducted in their junior year in AVID. In addition to the academic focus of the AVID senior seminar, there are college-bound activities, methodologies and tasks that should be achieved during the senior year that support students as they apply to four-year universities and confirm their postsecondary plans. All AVID seniors are required to develop and present a portfolio representing their years of work in the AVID program, as well as complete the requirements for the seminar course.

Due to copyright laws, this curriculum document only references the Week at a Glance (WAAG) days in sequential order and suggested length for each lesson. Full resources are available for each trained teacher using the login given to them after receiving AVID training.
