Please contact the Park Hill Department of Technology Help Desk at 816-359-5000 if you have any questions.

Important Details

- Students will be issued hotspots as they become available. Early signup up is ideal for getting a hotspot sooner.
- Hotspots have 100GB of data for the entire year, which is about 1200 hours of basic internet browsing. Please note that streaming and downloads use up more data than basic browsing. Once the data is used up there is no way to renew, so please keep hotspot usage to schoolwork.
- Students who are returning to school the following year may keep their hotspot through the summer. If a student leaves the district, they must return their hotspot along with their school-issued device.

Park Hill Staff Instructions:

Elementary Teachers/Staff - Please enter a Help Desk request ticket with this form information.
Secondary Teachers/Staff - Please deliver form to your building Technology Support Specialist.
